

Richmond Education Centre/Academy

Student Fees: 2017-2018

The students at Richmond Education Centre/Academy are required to pay a student fee of \$20 per student if they are in grades 9 to 12 or \$10 per student if they are in grades 5 to 8. There is a family rate of \$30 for siblings in the school, regardless of grade level. This money is used for the benefit of the student body and allows the school to offer extras to our students which would otherwise be unavailable. These include, but are not limited to:

- printing of student policy manuals and other student information
- supplementing extra-curricular and co-curricular events
- supplement student council and student council-sponsored activities
- student information cards
- Remembrance Day ceremonies
- renting locks
- extra-curricular events
- attendance incentives
- special purchases such as:
 - DVDs for students
 - computer needs for students
- special school needs such as:
 - gifts for speakers, etc.
 - memorial wreaths
- graduation-related expenses
- operating revenue for:
 - stationary
 - special books
 - movie rentals
 - physical education
 - SOCAN license
 - mathematics competitions

There are many costs which arise throughout the school year which are not covered by the budgets allocated through the school board. The student fees allow the school to continue to provide much of the necessary items to our student for their benefit.
