

Course Change Request Form 2016-2017

Please be advised that student timetables are based on the Student Course Requests that were completed by students and their parents in the spring of 2015. Requests for course changes will only be considered by the Guidance Department or Administration when this form has been completed and signed by both the student and the parent/guardian by the set deadline. Course changes will **not** be granted for social reasons, nor will requests for a specific teacher be granted. Course changes will be made by the Guidance Department or Administration when students can show that high school completion and/or eligibility for post-secondary programs are at issue. Also, a reminder that all course requests are subject to class size restrictions.

NOTE: For a change in the level of ENGLISH (Academic vs. Communications) or MATH courses (e.g., Academic Math vs. Math at Work or Essentials), please use the "REQUEST TO CHANGE MATH CLASSES" or "REQUEST TO TAKE ACADEMIC ENGLISH" forms available in guidance or at reca.srsb.ca.
