3.0 Approval of minutes: it was noted that the attachments from previous SAC meetings were not placed on-line therefore anyone reading the minutes would not be fully informed of the discussions that took place. Lois will add all attachments that were handed out in any SAC meeting to the appropriate meeting minutes on-line.

4.0 Student Success Planning update- see attachment

5.0 Old Business- 5.1 – Events happening until end of year- two dances are scheduled: May 25th for the high school students and May 24th for the junior high. There will be a 7/8 end of school year dance as well as the Prom. It was decided by staff that next school year (2017-2018) there will only be 4 dances done by the teachers. If any interested parties would like to put on a dance at the school, the SRSB school policies and regulations will have to be followed and all money raised would go to the school.

There will be no reception following the Scholastic award ceremony this year. Since WTR, the staff felt that the cupcakes made a terrible mess and staff were required to remain later than their scheduled work day to clean it up.

There were 40 orders for yearbooks this year @ \$16.00/yearbook

6.0-New Business- no new business

7.0-no report from Makenzy Sampson-Muggah

There was no student council election this year, all candidates were acclaimed; Aaron Martell as President and Adrienna Marchand as Vice president

8.1 School budget update- no update was given but it was reported that all hockey and basketball fees were refunded because the season was canceled due to the teacher labour dispute. Hockey players were refunded \$175.00 out of the \$200.00 fee.

The next SAC meeting is scheduled for Tuesday, Sept.19th, 2017 at 3:30.
