

September 2014

Microsoft Student Advantage Program Now available

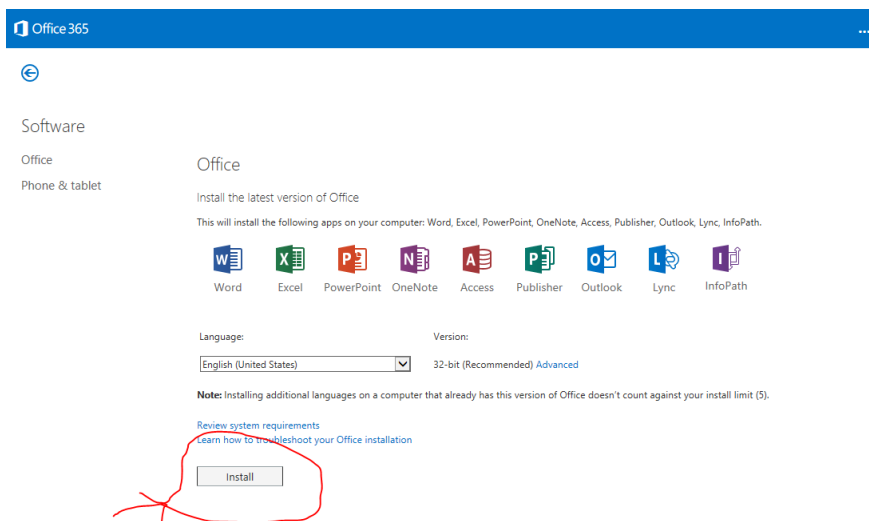

You are now eligible to participate in Microsoft's Student Advantage Program. This program enables all SRSB students to get a licensed copy of most Microsoft® Office desktop PC applications on up to five (5) devices. Please be sure to check the system requirements to ensure that your device can install Microsoft Office 2013 appropriately.

Under the Student Advantage Program, students may continue using the Microsoft software as long as they are students within the Strait Regional School Board.

Using the information provided in the email, login at: <https://login.microsoftonline.com/> with your nspes username (---@nspes.ca) and temporary password (School14). You will then be prompted to change your password. Please keep this new password stored in a safe and secure location.

From there, you will be directed to the page below where you can click install and then run to install Microsoft Office on your device as shown in the screenshots below.

Office
Phone & tablet

Office

Install the latest version of Office

This will install the following apps on your computer: Word, Excel, PowerPoint, OneNote, Access, Publisher, Outlook, Lync, InfoPath.

Language: English (United States) Version: 32-bit (Recommended) Advanced

Note: Installing additional languages on a computer that already has this version of Office doesn't count against your install limit (5).
